Please be advised that once approved for this program all payments must be made on time. If two payments are missed in one year you will be immediately removed from the equal pay program and will be asked to pay your bill in full. We will check your account balance to see if you have a credit or a balance due; any credit over \$201.00 will be refunded to you in a check by the end of January. If you have a credit of \$200.00 or less, your account will be re-averaged to lower your monthly payment for the next 12 months. If you have a balance due of \$201.00 or more, you will receive an invoice for the overage which will need to be paid in full by December 31. If your balance due is \$200.00 or less, your account will be re-averaged to increase your monthly payment for the next 12 months. If the balance is not paid in full by December 31, you will be removed from the program and late fees will be added. Please be advised that your account will be reviewed at least once each year and your equal pay account may be adjusted at that time.
